

Welfare, Reset, Reorganise

Thank you to all our clients, customers, volunteers, partners and supporters who have once again stood by us during this very tough and uncertain year.

At this time of year, many generous organisations in Greater Manchester provide food and care. We equally need time for our staff to recharge their batteries and reorganise the charity in preparation for the challenges 2022 will bring.

Please see below for our Christmas opening times, with a list of partners who will be open during the period:
